## *“Goes live”*

Amber lounge is going live on Sunday the 1<sup>st</sup> june! Who are featuring live local bands in “the live lounge” starting with fletch trio.

The bands will be from different genres of music acoustic male and female and groups starting at 9pm, the evening will go on until 12.30am every Sunday and we are hoping to find more local bands with great talent looking to show their skills in one of Chester’s unique and opulent venues. So we are calling for anyone to send in their demos to help us select and book.

Along with great entertainment we have great cocktails on offer. Amber lounge Chester and Knutsford have launched their new seasonal cocktail menu for the summer with a wide variety of traditional and classic cocktails along with some wonderful new and exotic recipes to freshen and surprise any pallet!! We had a great time trying and tasting those, it was hard work but someone has to do it!! Right through summer all cocktails will be 2-4-1 from 4pm ‘til 12midnight every Sunday.

For further details on the bands please visit [www.myspace.com/amberlounge](http://www.myspace.com/amberlounge) for further details or our facebook “amberlounge Chester”. You can even call us and reserve a table for the evening direct on 01244 316477 and tables are already booking up.

We ask should anyone wish to send us a demo C.D please do so asap and address them to Kelly Wimbleton.
